## Welcome to Regal Interior

Regal Furniture, a brand of RFL, is a well-known furniture brand in Bangladesh. Regal started its journey in 2013 with the utmost promise to provide the finest home and office furniture. Regal has launched an Interior Design Studio created in response to clients' demand for complete projects conceived in accordance with Regal style and philosophy. A team of experienced architects and interior designers are dedicated to the design development of private residences and offices. The interior design team provides clients with a comprehensive design service- from complete architectural planning to room decoration. Its consultancy service takes responsibility across the full span of a project, beginning with site analysis, research, meetings with the clients throughout the construction phase until the final positioning of furniture and accessories.

### Our interior design services include

- Planning & Research
- Space Programming
- Conceptual Design
- Furniture Layouts, Lighting Design, Product & Furniture selections
- Budgets preparation
- Drafting, Plan setting and Documentation
